

3.08- Financial Assistance

The Board will establish fees that should enable the majority of residents and others to participate in its programs. Regardless of the amount of fees that are charged, some individuals may be unable to participate due to economic hardship. In the event that certain families or individuals are in dire financial difficulty, the Board authorizes the Executive Director, or his/her designee, on an individual basis, to partially waive a registration or membership fee when a resident cannot reasonably afford the fee. The Financial Assistance will be provided, as funds are available, through the “FUNding Positive Recreational Experiences” Program.
