ART CLASSES

OIL PASTEL

Oil Pastels first appeared in Osaka, Japan, almost 100 years ago. Since then, many artists have fallen in love with the smooth and creamy manner of this drawing medium. Participants will experiment with different ways to use oil pastel as they work on a drawing of their own choice. With oil pastel students can experiment with a drawing surface other than white. We will also look at how oil pastel can be "erased"!

METAL TOOLING

Tooling is an unusual art technique that requires skills that are different from drawing or painting. Participants will be shown how to tool a sheet of aluminum in order to create an image of their own choosing. Floral designs or an animal image are often chosen. When complete the image will be raised on the aluminum surface so that the project can be framed with a finishing flair.

CRAZY HAIR DAY

A fun October activity is to create a black and white Silhouette Profile. In a creative twist our silhouette then has a unique hairstyle added to its crown. In developing these dimensional paper collage coiffures, we will discuss the elements of a good design, while also learning new ways to layer, assemble and pattern their paper constructions. These creative wonders are always amazing in their unusual and stylish completion.

HALLOWEEN HAUNTED PAINTING

This art activity starts as a seasonal painting event in which participants create a ghostly landscape. Then a sculptured ghost is created who holds up the landscape that was previously created. These unique creations become a freestanding work of art that will bring a Halloween spirit into your household.

FALL WATERCOLOR

In this late fall watercolor class, our participants will focus on painting the atmosphere of a chilled autumn day. Our young artists will be focusing on special painting techniques that will help them create the frost in the air, the shape and coloring of different trees, and perhaps even the wind blowing. All of these creative concerns become easier to accomplish when a young artist is shown how special methods can help produce a desired effect.

THANKSGIVING BREAK ART CAMP

On Monday, our artistic energies will be directed towards building a loftier, more involved in-the-round sculpture. Our masterful creations will be made from recycled materials and paper mache. As our characters develop their unique personalities will become apparent and this will be summarized in a special illustrated Art Book.

On Tuesday, we will continue to develop our major sculpture project from the first day. This includes developing a background story for our characters. A special Turkey Assemblage sculpture is also planned as we look at the detail that can be added to an art piece as it is brought to a conclusion. Additional 2-dimensional art projects, games and a short movie about a major artist will also be a part of our two-days of exciting creativity.

RECREATION PROGRAMS

PROGRAM RATE POLICY

It is the policy of the Park District that program participants must have a current membership to participate at membership rates. Memberships must be purchased prior to the program start date to receive the programs membership rate, the difference will NOT be refunded for memberships purchased after the first day of a program. Patrons may register for programs at the membership rate beyond their membership expiration date but if they do not renew they will be obligated to pay the difference between the member and non-member rate for programs that they continue to participate in past their expiration date.

PROGRAM CANCELLATIONS Visit our website for the most up-to-date closings & cancellations at [GENESEOPARKDISTRICT.ORG/CLOSINGS-CANCELLATIONS](https://www.geneseoparkdistrict.org/closings-cancellations)

On days when the Geneseo School District releases early or cancels due to weather, our programs are also cancelled. If the Geneseo School District has a late start all Adult Programs will run as scheduled. All other programs scheduled after school would run as scheduled. Make-up classes will be scheduled if facility and instructor resources are available.

The Park District and/or its independent contractors reserve the right to consolidate, postpone or cancel any activity or program that has not met the established minimum. The determination to cancel programs will be made 3 days prior to scheduled start date.

If lightning strikes or thunder is heard all pool participants will be required to be out of the Indoor Pool or Aquatic Center for 15 minutes from the time of the last lightning strike or thunder heard.

PROGRAM REFUNDS

Participants that request a refund before the start of a program will receive a full refund. Refunds requested after the start of a program will receive 1/3 of the unused portion minus a \$5.00 service fee. The \$5.00 service fee will be waived if the patron chooses to send the refund to their account as a credit on account versus being mailed a refund check.

OOPS!

The Park District staff has made every effort to prepare this guide as accurately as possible. However, errors can occur. Circumstances may require that adjustments be made to programs, fees, schedules, etc. The Park District reserves the right to make any adjustments. The Park District apologizes for any inconvenience these errors or adjustments may cause.

PHOTO / VIDEO DISCLOSURE

WHAT IF I AM NOT A RESIDENT OF THE GENESEO PARK DISTRICT?

Non-residents are persons who do not reside within the corporate boundaries of the Park District or do not pay taxes for the Park District.

A \$75 non-resident fee will be applied to Community Center & Park District membership purchases or renewals. (Not applicable to 1-month memberships).

A \$30 non-resident fee will be applied to Aquatic Center memberships.

HOW CAN I PAY FOR A MEMBERSHIP?

The Geneseo Park District offers three easy payment plan options...

1 - PAY Pay the full amount owed at time of purchase.

3 - PAY [3 CONSECUTIVE MONTHLY PAYMENTS] The membership rate is divided into 3 equal payments, which are paid the first three months of your membership plus a \$10.00 service fee. If monthly payments are not paid by due dates, a late fee of \$10.00 per month will be charged. Future memberships may not be obtained until complete balances are paid in full. Only available on annual membership purchase. The \$10 service fee is reflected in the listed 3-pay price.

12 - PAY [AUTOMATIC ELECTRONIC WITHDRAWAL] The 12-pay plan is the only way that the Geneseo Park District can accept monthly payments for annual Community Center or Park District membership dues. This is a continuous membership plan; memberships will automatically renew on the members' yearly expiration date. The membership price including service fee of \$2 per month, and non-resident fee when applicable, is divided by 12 to arrive at the monthly payment. An initial down payment is required at time of purchase, fulfilling the first month's payment obligation and a \$25 Activation Fee. The monthly dues will be deducted from the members bank account for a minimum of 11 consecutive months. After that time, they will automatically continue until the GPD receives request to terminate from the member. Monthly dues will be withdrawn on the 15th of the month unless the 15th falls on a weekend or holiday in which case withdrawals will be made the following business day. To terminate or change the membership in any way, the GPD must receive a 30-day written notice directed to the Attention of the Administrative Assistant. Should any membership draft not be honored by the members financial institution for any reason, the membership will be suspended. The member will be required to pay the balance due plus a \$5 service fee. Balance due must be paid in full, in person, by cash or credit card. This is in addition to any service fee the financial institution may make. Monthly dues will continue to be automatically deducted from the members bank account as scheduled while the membership is suspended. Memberships will be cancelled after a second consecutive insufficient funds notice is received. Memberships that are suspended and/or cancelled due to delinquent payments will receive email notification from GPD. Cancelled memberships are required to pay the past due amount plus service fees in full before future memberships may be purchased and are subject to the activation fee. Memberships cancelled prior to meeting the first 1-year commitment will be subject to the GPD cancellation policy and required to pay ½ of the unused balance plus a \$5 service fee. If a membership is cancelled due to insufficient funds, future requests for payment plans will be reviewed and the Geneseo Park District reserves the right to accept or reject requests. The Geneseo Park District Board of Directors may, at their discretion, adjust the monthly rate applicable to any category of membership.

FINANCIAL ASSISTANCE IS AVAILABLE For more information call (309) 944-5695 or visit www.GeneseoParkDistrict.org

WHAT IF I WANT TO CANCEL OR UPGRADE MY MEMBERSHIP OR PROGRAM?

UPGRADING MY MEMBERSHIP: When upgrading your membership you will receive 100% credit of the unused portion on the existing membership which is deducted from the new membership price. A new expiration date is established at the time of upgrade. New payment plan forms will be completed at this time. No refunds are applied on 12-pay option.

MEMBERSHIP CANCELLATION POLICY: Annual memberships discontinued before the year is completed will be refunded on the basis of 1/2 of the unused balance plus a \$5.00 service fee (not applicable on 12-pay option).

MEMBERSHIPS ARE NOT TRANSFERABLE. Memberships purchased under false pretenses will be terminated and no refunds will be given.
