Some of the items that were discussed were the Tanta Fitness Machine, the new lane lines in the indoor pool, the temperature of the pool has been nice and Scott mentioned it has been set at 86, question regarding how the Community Garden went this summer, the addition of the speed signs along North St., great comments about Steve Alexander as a lifeguard. Some other thoughts/comments were regarding posting that the girls basketball is after the new year and the boys is in the fall. There has been some confusion about this. They recommended that there be a gymnastics evaluation day at the beginning of the season to help parents understand where their child should be and when they should be moved up if necessary.
