ATHLETIC FIELD UPDATES

WHAT: The Geneseo Park District is excited to announce updates at the Athletic Field

2 permanent Pickleball Courts have been added to the Tennis Courts. A chain link fence will replace the temporary snow fencing separating the two courts. The new fencing will arrive following the completion of the entire court resurfacing. On the remaining Tennis Court is the option for two temporary Pickleball Courts. Visit the Geneseo Community Center for all the equipment needed to set up the temporary Pickleball Courts.

The old wooden bleachers along the west side of the football field have been removed. New portable bleachers will now be brought in during the football season courtesy of the Geneseo School District along with support from other youth sport organizations.

The Geneseo Park District's Athletic Field is open to all residents for a variety of uses such as; basketball, tennis, pickleball, running/walking on the track, playing yard games or just lounging on the grass or under the shelter.

The Geneseo Park District runs youth sports programs such as flag football, tennis, and golf at the Athletic Field. The Athletic Field currently serves as the host to Geneseo Youth Football and Geneseo Middle School (GMS) 8th-grade football.

WHERE: Athletic Field is located one block east of the Geneseo Community Center
