March 15, 2020

Dear Geneseo Park District Community-

The Geneseo Park District Leadership Team and Board held an emergency meeting on Sunday, March 15 to discuss recommendations given the COVID-19 pandemic.

While we are disappointed to have to close the doors of the Community Center from Tuesday, March 17 through Monday, March 30, and opening on Tuesday, March 31. We feel that our early response to the COVID-19 will help limit the spreading of the virus. We plan on working with our local authorities to monitor this situation and continuing to make informed decisions.

While this is an unprecedented situation, we feel that with almost 400 visitors a day it is our duty as a public facility to close for the safety of our residents and members.

This closing will include all rentals, programs and special events throughout this time period. This closing to Park District facilities will include the Central Theater as well. We plan to work with our members to extend memberships accordingly and issue credits on account for programs.

We appreciate your commitment to the Park District and the health and wellness of our Community.

Andy Thurman

Executive Director
